Re: Final Environmental Impact Statement New U. S. Border Station and Commercial Port of Entry, Derby Line, Vermont (CEQ #20070268)

Dear Mr. Drevinsky:

The Environmental Protection Agency-New England Region (EPA) has reviewed the U.S. General Services Administration's (GSA) Final Environmental Impact Statement for a new U. S. Border Station and Commercial Port of Entry in Derby Line, Vermont. We continue to have no objections to the project as described.

Thank you for forwarding the FEIS for our review.

Sincerely,

/s/

Robert W. Varney
Regional Administrator
